

**SKETCHING LINES ON T...**  
I'm out with the BTTP crew for a very special night with DJ Yoda and Mark Jones on Nov 5th ...  
"Sketching Lines On The ..."

**A SUNNY DAY IN GLASG...**  
I love this video ... it features a bunch of crazy painted people! I don't know much about A Sunny Day in Glasgow but it ...

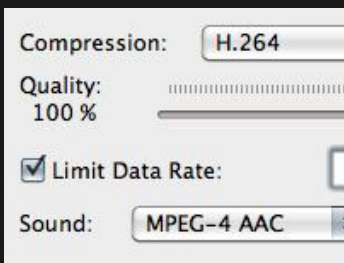

**THE GRID SYSTEM...**  
These guys do it in straight lines, this is a fantastic looking site which really shows how the grid can help organise complex pages and ...

OLDER ENTRIES

**AUTUMN. A SHORT TIME...**  
I love this product and it's on my birthday list if anyone would be so kind. The shots of the night sky at the end ...

**VDMX > SNAPZ PRO X >...**  
H.264 / AAC / 25 FPS / 2000 kbits/sec (SD) / 5000 kbits/sec (HD) For quick video grabs I use Snapz Pro X, its fast and if you ...

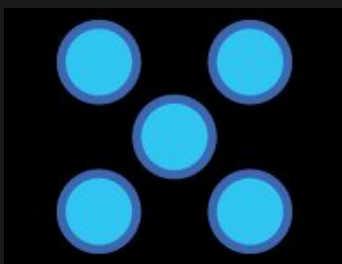

**GRAIN EDIT...**  
Classic design work from the 1950s-1970s. This is such a nice place for inspiration, it's like a relaxing walk in the countryside or dipping your toes ...

**RUNNING MAN SAMPLE...**  
Here's another sample from 2bit (VDMX, Snapz Pro, MPEG Streamclip). Credits: Whip It, Treacherous Three

**PLASA LED CENTRAL!...**  
I missed PLASA (London) last year as I was on the road working but managed to fit it in and was amazed to see 80% ...

**VDMX LAYER CONTROLS...**  
The VDMX Layer Controls palette is where you control the playback speed, looping, forward and reverse, in and out points and scratching of video clips. How ...
